

Q1 How familiar are you with the concept of Right to Repair when it comes to electronic devices, appliances, agricultural equipment or medical equipment?

Answered: 201 Skipped: 0

ANSWER CHOICES	RESPONSES	
I am very familiar with Right to Repair and could explain it to others	14.93%	30
I am somewhat familiar with Right to Repair	20.40%	41
I have heard of Right to Repair, but don't know much about it	15.92%	32
Not at all—I have not heard of Right to Repair	48.76%	98
TOTAL		201

Q2 Manufacturers restrict repair options for their products by withholding parts and service information, which can force owners to use "manufacturer-authorized" servicers, and lead to more frequent device replacement. Right to Repair would require manufacturers of electronic devices, appliances, agricultural equipment and medical equipment to make repair information, parts, tools and software available to consumers and independent fixers. Based on what you know or your first impression, do you support Right to Repair?
